Inpatient Services

Eligible reimbursement must be for out-of-pocket expenses related to inpatient hospitalization with a mental health diagnosis. All services must be provided by a licensed mental health professional, or with written approval from a licensed mental health professional for medical procedures for related physical injuries, at a licensed inpatient facility.

Ineligible expenses include, but are not limited to:

*   Partial hospitalization;
*   Hospitalization for conditions **other than** mental health treatment, or for medical procedures for related physical injuries that are **not** approved by a licensed mental health professional in writing.

Requests previously submitted to and reimbursed by the former fund administrator are not eligible for reimbursement.
